

PHILOSOPHY

As a Christian School:

We believe that each child is a parent's most precious gift from God and we want each parent to feel secure in the knowledge that we provide the finest education and care. The care and attention that we give to these little ones is our expression of Christian love.

"And whoever welcomes a child in my name welcomes me." Matthew 18:5

We believe in the Bible as the infallible Word of God and that Bible truths should be taught through Bible stories and the actions of Christian teachers.

We believe that traditional Christian values should be taught as instituted by God as stated in Genesis 2:24.

We believe that the curriculum should meet the needs of each unique child while providing for developmental stages. The curriculum should focus on all areas of development: spiritual, physical, cognitive, and social/emotional. Ultimately, service to God must be recognized.

We believe that, within a Christian framework, lessons and activities must be joyful and delightful.

Welcome to St. Paul Methodist School!

We endeavor to provide a loving, nurturing, learning environment in which your child will grow and develop.

Our School is a nondenominational Christian ministry and is open to all students without regard to race, creed, color, or national origin. The School is governed by a School Board of Directors established by the church. We are a nonprofit school and tuition directly goes toward operation of the School.

Our Program

At St. Paul Methodist School, we are dedicated to the Lord Jesus Christ and his admonition, "Let the little children come to me, and do not hinder them, for the Kingdom of heaven belongs to such as these." Matthew 19:14. Our educational program includes experiences described above as well as concern for each child to experience God's love.
